### CAR DETAILS

Make: \_\_\_\_\_

Odometer Kms/MIs: \_\_\_\_\_

Reg. No: \_\_\_\_\_

Purchaser: \_\_\_\_\_

Phone: \_\_\_\_\_

Email: \_\_\_\_\_

Weather: Dry

Light: Good

Vehicle: Clean

Engine: Normal operating temperature

Max road test speed: 80kph Kph

General Comment: Drives well, in fair condition for age and mileage, some items to attend to.

---

## COOLING SYSTEM

- 1 ✓ Radiator
- 2 ✓ Radiator Cap
- 3 ✓ Hoses
- 4 ✓ Belts
- 5 ✓ Water Pump
- 6 ✓ Frost Plugs
- 7 ✓ Cooling Fan
- 8 ✓ Thermostat
- 9 ✓ Heater
- 10 n/a Other

## MOTOR ELECTRICS

- 11 ✓ Battery
- 12 ✓ Terminals
- 13 ✓ Leads
- 14 ✓ Generator/Alternator
- 15 ✓ Starter Motor
- 16 ✓ Solenoid
- 17 n/a Other

## INSTRUMENTS

- 18 ✓ Horn
- 19 ✓ Wipers Front
- 20 ✓ Wipers Rear
- 21 ✓ Screen Washers Front
- 22 ✓ Screen Washers Rear
- 23 ✓ Indicators
- 24 ○ Front Lights
- 25 ✓ Rear Lights
- 26 ✓ Warning Lights
- 27 ✓ Hazard Lights
- 28 ✓ Gauges
- 29 ✓ Instruments
- 30 ✓ Radio
- 31 ✓ Heater Fan
- 32 ✓ Heater/Air Cond.
- 33 n/a Other

## TYRES (In Millimetres)

- |    |   |       |    |   |      |
|----|---|-------|----|---|------|
| 34 | 6 | L.F.  | 37 | 6 | R.F. |
| 35 | 3 | L.R.  | 38 | 4 | R.R. |
| 36 | 3 | Spare |    |   |      |

NOTE: 1.5mm Legal Min., 7-8mm New Average

- 39 ○ Wheels

## UNDERBODY

- 40 ✓ Chassis/Mountings
- 41 ✓ Engine Mountings
- 42 n/a Clutch
- 43 ✓ Cables & Wires
- 44 ✓ Hoses & Tubes
- 45 n/a Other

## EXHAUST SYSTEM

- 46 ✓ Manifold
- 47 ✓ Pipes
- 48 ✓ Mufflers
- 49 ✓ Clamps
- 50 ✓ Brackets
- 51 ✓ Connections
- 52 n/a Other

## STEERING & SUSPENSION FRONT

- 53 ○ Steering Wheel
- 54 ✓ Steering Column
- 55 n/a Steering Box
- 56 ✓ Steering Rack
- 57 ✓ Steering Linkages
- 58 ✓ Steering Arms
- 59 ✓ Power Steering Pump
- 60 ✓ Swivel Joints
- 61 ✓ Control Arms – Upper
- 62 ○ Control Arms – Lower
- 63 ✓ Shock Absorbers
- 64 ✓ R.H. Wheel Bearings
- 65 ✓ L.H. Wheel Bearings
- 66 ✓ Springs
- 67 X Suspension Units
- 68 ✓ Suspension Mounts
- 69 ✓ Torsion Bars
- 70 ✓ Anti-roll Bars & Bushes
- 71 ✓ Rubber Boots
- 72 ✓ Wheel Alignment
- 73 ✓ Wheel Balance
- 74 n/a Other

## REAR SUSPENSION

- 75 ✓ Control Arms
- 76 ✓ Bushes & Pins
- 77 ✓ Shock Absorbers
- 78 ✓ Springs & Mounts
- 79 ✓ R.H. Wheel Bearing
- 80 ✓ L.H. Wheel Bearing
- 81 ✓ Suspension Mounts
- 82 n/a Other

## DRIVE SHAFT & JOINTS

- 83 n/a Front Universal Joint
- 84 n/a Centre Universal Joint
- 85 n/a Rear Universal Joint
- 86 n/a R.H. Universal Joint
- 87 n/a L.H. Universal Joint
- 88 ✓ R.H. CV Joint
- 89 ✓ L.H. CV Joint
- 90 n/a Other

## BRAKES

- 91 ✓ Hoses
- 92 ✓ Cables
- 93 ✓ Servo & Booster
- 94 ○ Master Cylinder
- 95 ✓ Disc Pads (where visible)
- 96 ○ Discs (where visible)
- 96b ✓ ABS Operation
- 97 n/a Other

## MOTOR

- 98 ✓ Compressions
- 99 ✓ Pistons & Rings
- 100 ✓ Bearings
- 101 ✓ Valve Train
- 102 X Oil Leaks
- 103 ○ Oil Condition
- 104 Oil Level: OK

- 105 ✓ Fuming
- 106 ✓ Tuning
- 107 n/a Other

## ROAD TEST

- 108 n/a Clutch
- 109 ✓ Gearbox
- 110 ✓ Automatic Transmission
- 111 ✓ Differential
- 112 ✓ Foot Brakes
- 113 ✓ Hand Brakes
- 114 WOF: 05.03.2020
- 115 n/a GAS/R.U.C. Certificate
- 116 Registration Due: 11.07.2020
- 117 n/a Other

## BODY & TRIM

- 118 ✓ Water Leaks
- 119 ✓ Bumpers
- 120 ✓ Exterior Trim-Chrome
- 121 ✓ Mirrors
- 122 X Rubbers & Seals
- 123 ✓ Interior Trim
- 124 ✓ Upholstery
- 125 ✓ Knobs & Handles
- 126 ✓ Windows
- 127 ✓ Doors
- 128 ✓ Light Lenses & Reflectors
- 129 ✓ Carpets
- 130 ✓ Interior Light
- 131 ✓ Jack
- 132 ✓ Wheel Brace
- 133 ✓ Dash Panels
- 134 ✓ Bonnet Release
- 135 ✓ Boot Release
- 136 ○ Seats
- 137 ○ Other

## BODY REPORT

- 138 ✓ Perforation Rust
- 139 ✓ Surface Rust
- 140 ○ Rust Spots
- 141 ✓ Scratches/Abrasions
- 142 ○ Paint Failure
- 143 ○ Dents
- 144 ✓ Minor Panel Repairs
- 145 ○ Improper Alignment
- 146 ○ Other

**Paint Repair Done**  
**Rust Repair Done**  
**Accident Repair Done**

No Repair Visible

## BATTERY TEST

## COMPRESSION TEST

---

## STAMPS

Due to age, modifications, shown kms, or overall condition of this vehicle NO responsibility for future failures or items not noted on this inspection sheet can be accepted.

### **Air Bags (SRS)**

As there is no practical method of testing the operation of these units, NO responsibility for the non-operation or any failure of these items can be accepted.

No signs of any major body repairs or rusting in the critical zones. As usual, some minor cosmetic touch ups have been undertaken and some minor marks, dents and/or blemishes may remain.

Apart from any marked items, everything is within specifications or tolerances reflecting the age and distance the vehicle has travelled.

Radio means Tuner operation and gives no indication of frequency or quality. CD, Tape deck or any other input may not have been tested.

### **Cambelt**

As checking the condition of the cambelt in many vehicles requires some dis-assembly, this is not practical to undertake. We can only advise if the vehicle has any indication (decal, mechanics markings etc.) the cambelt has been replaced. If you have doubts please ask to sight a receipt or other proof of the cambelt having been replaced.

---

## COMMENTS ON VEHICLE

- 24. Headlights need polishing. Starting to cloud.
- 36. Space saver - 3mm = new.
- 39. Minor curbing on front wheels.
- 53. Slightly off centre.
- 62. Bushes perishing on both sides
- 67. Right hand shock boot split.
- 94. Top up brake fluid.
- 96. Pads low.
- 102. Seepage at cam cover gasket.
- 103. Service due soon.
- 104. Transmission fluid high.
- 122. Drivers door rubber split.
- 136. Seam on drivers seat cushion coming apart.
- 137. Emergency key has crack in plastic body.
- 140. Stone chips on bonnet starting to rust.
- 142. Clear coat failure behind drivers door handle.
- 143. Minor dents, see pictures.
- 145. Rear bumper out of alignment on RH side, see picture.

### Battery

Initial voltage	12.8 V
State of Charge	100 %
Lowest voltage	8.65 V
Voltage drop	4.15 V
Maximum current	390 A
Internal resistance	10.6 mΩ
Capacity	326 CCA
	Capacity is 75% of 430SAE
Condition	OK
	Battery is good.

### Starter Motor

Resistance	22.2 mΩ
------------	---------

### Charging System

Status	Charging at 33%
Voltage	13.3 V
Ripple	173 mV
Current	13.5 A
